FOR THE LOVE OF READING

February was I love to read month. 220 blackout card where turned in for our READO event. That was enough for Mr. Fiola to be taped to the wall and for Mrs. Thiessen to get a slime pie to the face! Unfortunately it wasn't enough cards to have Mrs. Beaudin eat any bugs.....but she was a good sport and ate a sucker with a bug in it anyway!

The committee will continue to work with parents and teacher to find fun and engaging ways to fit reading into everyone's day

LEARNING SUPPORT NEWS

~Leslie Bardal, André Fiola, Brenda Lytwyn & Marge Thiessen

We have a few items of interest that have to do with the 2018-2019 school year.

Updating Medical Plans for Next School Year:

Every year NES requires current and updated health care plans in order to care for our students in the case where they might need medical attention at school. If your child has had a Health Care Plan or Emergency Response Plan through the URIS program in the past, a copy of their plan will be sent home for renewal. If you receive such a plan, please update the information, sign the signature page to indicate your approval and then return it to the school labeled Attn: Marge Thiessen."

"General Health Care Information forms will also be sent home for all students to give parents the opportunity to identify any new health care concerns that might have arisen in the past year. These are pink forms. Please complete and return to school to your child's teacher. If you have any questions regarding either of these forms please contact Marge Thiessen, Vice Principal at NES.

Welcoming next school year's kindergarten students:

We, here at NES, are excited to meet the students coming to Kindergarten in the fall of 2019. We will be hosting a Kindergarten Orientation Meeting on May 7th at 6:15 pm and Kindergarten Welcome days on May 8th and 9th. With both of these events, we are hoping to meet your children, provide some information and a time for the children to get oriented to the classrooms and the school. Our secretary, Mrs. Benitez will send out appointment times for May 8th and 9th. These will be 45 minute time slots for your child to play while we give you some details about what you can expect in the upcoming school year."

NES PAC News – April 2019

Interested in joining NES PAC?

If you are interested in joining the NES PAC team, please let us know. Drop us an email at nesparentcouncil@gmail.com to learn how you can help or to ask questions.

The current executive has been in place for the past three years and it's always good to have new faces join the team. NES PAC plays a critical role in fundraising for various learning supports and enhancements to classrooms in the school. Without NES PAC, there would be no hot lunch program.

Hot lunch

The final hot lunch schedule for this school year will roll out this month. Hot lunch dates are as follows:

- April 4 - Pizza Day
- April 18 - Subway
- May 2 - Hamburger/Hot Dog
- May 16 - Boston Pizza
- May 30 - Pizza
- June 13 - Subway

Please remember, we are unable to refund hot lunch money. Should your child be absent on a hot lunch day and you still want to get the lunch, please call the school before 11:00am to arrange for pickup.

Save The Date!

The first full week of May is designated Teacher Appreciation Week! So, starting May 6 – 10 NES PAC want to spoil NES teachers and staff – but we need your help! We will be asking each grade to bring in some goodies on specific days. More information will follow in the weeks leading up.

Did you know?

There are only two NES PAC meetings remaining this year, April 29 and May 27. They are open to anyone with children attending NES. Meetings start at 6:00pm in the school library and usually last about an hour. We hope to see you there!
