

## NIVERVILLE ELEMENTARY WHERE EVERYONE SHINES!

### About Us

- We are a Kindergarten to Grade 4 School with 476 students in our English Language Program. We have 28.5 teachers and 1.5 Principals
- Our Support Staff includes 1.5 Secretarial supports, 1 Library Support Specialist, 16 Educational Assistants, 3 custodial staff
- We offer a variety of programs:
  - Noon hour Sports Gr. 3-4
  - K-2 Christmas program
  - Grades 3-4 Spring Musical/Drama
  - Grade 4 Leadership/Social Justice

### We Believe:

- Meaningful relationships are essential for learning.
- Everyone deserves to feel safe, valued, and celebrated.
- Curiosity, imagination, and creativity are at the heart of the learning experience.
- Development of the body, heart, and mind is the shared responsibility between home and school.
- Caring, compassionate citizens make a difference in our world.

## Niverville Elementary School

### Planning Priorities for 2025-2026

At Niverville Elementary School we strive to provide opportunities for ALL to learn, grow, and discover together.

*Niverville Elementary – “Where Everyone Shines”*

### Planning Priority #1

#### Social Emotional Learning - Character

##### Strategies and Success Indicators

- Staff and students will have opportunities to learn about the “Character” competency of the 6Cs of Deeper Learning
- Throughout the school year, we will focus on different character traits in school-wide assemblies and in class instruction
- Opportunities for all students to develop skills and attributes associated with the chosen character traits: Responsibility, Perseverance, Empathy, Gratitude, Bravery, Kindness, Honesty, Creativity

### Planning Priority #2

#### Numeracy- Focus on Problem-Solving

##### Strategies and Success Indicators

- Grade Level teams will explore strategies and new resources for helping students grow in problem solving
- Teachers will participate in Teaching Sprints with a focus on developing flexible thinking and a growth mindset through problem solving
- Students will have regular opportunities to practice problem solving with a growth math mindset.

### Planning Priority #3

#### Literacy - Communicating through Writing

##### Strategies and Success Indicators

- Students will build their writing “toolbox” through the use of the Syntax Project
- Teachers will participate in Teaching Sprints, focusing on grade specific writing goals.

### Planning Priority #4

#### Learning Partnerships- Home/School/Community

##### Strategies and Success Indicators

- Our students will continue to partner with other classes for collaborative learning experiences both in our school and with the older students at NMS.
- Students, staff, and families will have opportunities throughout the school year to engage and learn with Indigenous Knowledge Keepers and Elders
- Students will become connected to community members through local events such as Opa’s park visits, Christmas carolling, school concerts, partnerships with seniors, the Nighthawks Hockey Team and local experts.
